

**NATIONAL BOARD ON FIRE
SERVICE PROFESSIONAL QUALIFICATIONS**

COMMITTEE ON ACCREDITATION

Be it hereby known that

Fire Prevention Officers Association of British Columbia

having demonstrated its commitment to fire service training excellence by continuing to test and certify persons to an internationally validated body of professional standards deemed essential to the protection of life, health, and safety for the community it serves; and, for having exemplified the best professional practices in the conduct of its responsibilities to the fire service, is a

DELEGATED AUTHORITY

of the

Vancouver Island Emergency Response Academy

Chairman of the Board

Chairman of the Committee on Accreditation
